THE OMS PARK FUNDRAISING CAMPAIGN

Dear Supporter:

Okemo Mountain School's new signature Crazy Train Park proved to be a huge success this year. The Crazy Train Park received accolades from Okemo Mountain Resort and their guests, the USASA Regional Director, and the coaching staff from surrounding winter sports academies as one of the best slopestyle training grounds in Vermont. The park also achieved photos in Snowboarder Magazine and Transworld Snowboarding, which offered a great deal of exposure for our school and for Okemo Mountain. Moreover, our coaching staff witnessed first hand the impressive development and progression of our OMS snowboarders and freeskiers throughout the season, which was a clear result of training in the new park.

In order to keep the momentum going and to update the Crazy Train Park with innovative features annually, our goal is to fabricate three new features to be installed in the park for the upcoming season (please design on pg.2). We also plan on refurbishing our current jib fleet by polishing steel, painting, and repairing any wear and tear on the features.

Okemo Mountain School is looking for your support to raise the funds necessary to add these new features to continue to offer a progressive and fresh park for our OMS and weekend athletes in 2016. All money donated will go towards the material and labor needed for the feature fabrication and construction. Our hope is that we can count on your support in this fundraising campaign. Okemo Mountain School is a 501(c)3 non-profit educational institution and all donations are 100% tax deductible.

If you wish to donate, please fill out and detach the form at the bottom of this page and return it with a check made payable to Okemo Mountain School:
