**To receive the discounted tuition rates listed above, all tuition payments must be received by the corresponding date. Tuition must be PAID IN FULL for a student to begin classes or training unless enrolled in an approved payment plan.**

**OMS Tuition includes:** Weekday coaching fees, teaching fees for courses sent from a student's sending school, transportation to day trip competitions and other school activities, and costs associated with normal dry land training activities. *The Okemo Competition Center weekend program fees, which cover weekend coaching fees, and an OMS season pass are included in the tuition rate for all OMS student-athletes regardless of term of enrollment – OMS student-athletes will not pay any additional coaching fees to Okemo Mountain Resort.* Therefore, a season pass should not be purchased through the mountain

for any student planning to attend OMS. If one has been purchased already, Okemo will process a refund once the OMS pass has been issued in the late Fall.

**OMS offers a multi-child family discount.** If a family has more than one student-athlete enrolled at OMS, a discount of 5% will be applied to each subsequent tuition rate beyond the first. In a case that siblings are enrolled in different terms, the discount will apply to the lower tuition(s).

Additional costs for all students:

- Books and special academic supplies, including science lab and art supplies
- Special trips or activities
- Competition entry fees
- Equipment and athletic clothing
- Lift ticket expenses for training opportunities at other mountains
- Overnight trips for training or competition, including athlete and coach lodging, dining, coaches' expenses, and travel costs. These expenses will be billed before the date of departure. All travel expenses must be paid in full before a student departs for a trip.
- OMARA Membership Dues and Okemo Competition Center Worker Obligation Fees
- **Tuition Refund Insurance: All students – Winter Term, Winter Term training only, Target Term, or Semester 1/2 – must enroll in a tuition refund insurance program that will pay 75% of covered tuition (i.e., “unused” tuition) for medically necessary withdrawals that meet the terms and conditions of coverage – see Tuition Refund Plan brochure for more details. The premium rate is 2.2% of annual covered tuition, which will be billed separately from tuition.**

**Deposit and Tuition Payment Schedule/Tuition Payment Plans:** A non-refundable deposit of \$3,000 will be due on June 1, 2017. Information regarding the subsequent tuition payment schedule and available payment plans will be included in the student acceptance packet.
